Edge of page.

Conquest Graphics 8.5x11 Half-Half Fold Brochure folds to 5.5x8.5

Place this template in a separate layer
in your layout program and delete or turn off
before sending/exporting your file.

To use this template for the inside of your print project, flip it hori-
zontally.

Margin →
For best results keep text and
images that must be seen and read
at least 1/8" from edge of page.

fold

↑ ↑
Copy margins

We recommend keeping copy 1/8" in from fold lines in
most cases.

Back Panel

Front Panel

Bleed

For borderless edges, extend
images, photos and/or solid
background colors 1/8" beyond the
edge of the page. This area (yellow)
will be trimmed during the finishing
process. It should not contain any
information you intend to be seen
or read.
