

## Conquest Graphics 6x9 Envelope

**Place this template in a separate layer  
in your layout program and delete or turn off  
before sending/exporting your file.**

**Trim** →  
Edge of page.

← **Margin**  
For best results keep text and  
images that must be seen and  
read at least 1/8" from edge of  
page.

**Bleed** →  
For borderless edges, extend images,  
photos and/or solid background colors  
1/8" beyond the edge of the page. This  
area (yellow) will be trimmed during the  
finishing process. It should not contain any  
information you intend to be seen or read.
